

【A Panel Survey】 Quality of Life Survey Fiscal Year 2011 Questionnaires

Dear Participant:

Thank you very much for your participation for the survey. This “[A Panel Survey] Quality of Life Survey Fiscal Year 2011” is the survey planned by the Economic and Social Research Institute (Cabinet Office), and conducted by Shin Joho Center, Inc. This survey aims to understand people’s values and perspective on life by collecting information from 10,440 people aged over 15 living in Japan.

Answers will only be used above stated purposes and all private information including your name will be completely confidential. The result of the survey will only be published as an aggregated data such as XX% of people is doing YY. Therefore individual answers and opinions will never be published.

We appreciate your participation for the survey.

Please read the following instruction carefully before answering questions.

【Instructions】

- 1) Please fill in the answer sheet by yourself (the participant we have requested to do so).
- 2) Please circle from the choice provided or write the number.
- 3) Please provide exact number of answers depending on a single answer question or a multiple answer question (It will be indicated in the end of the question)
- 4) Please follow the arrows (→) when filling in the answer sheet.
- 5) Please use a black or blue pen or a ballpoint pen.
- 6) Even if you are not completely certain for your answer, please choose the answer that is the closest to your thoughts. Please do not leave as blank.
- 7) Please answer all the questions. We sincerely apologize for taking your time.

[Collection date]

Researchers will come to collect the answer sheet on March, around o’clock. Please fill in the answer before the collection date.

March, 2012

【A Panel Survey】 Quality of Life Survey Fiscal Year 2011 Questionnaires

Q1. Currently, how happy are you? Please score the degree of your happiness between 10 (Very happy) and 0 (very unhappy). Please circle one number (single answer, circle just one)

Very unhappy	0	1	2	3	4	5	6	7	8	9	10	Very happy
--------------	---	---	---	---	---	---	---	---	---	---	----	------------

Q2. This is a question about your family living in the same house. How do you think how happy your family members are at the moment? Please score the degree of their overall happiness between 10 (Very happy) and 0 (very unhappy). Please circle one number (single answer, circle just one)

Very unhappy	0	1	2	3	4	5	6	7	8	9	10	Very Happy	Do not have family living together	99
--------------	---	---	---	---	---	---	---	---	---	---	----	------------	------------------------------------	----

Q3. What is your desired condition when 0 is “feeling unhappy all the time”, 5 is “feeling unhappy for half of your time, and feeling happy for half of your time”, and 10 is “feeling happy all the time”. Please score your desired condition. Please circle one number (single answer, circle just one).

Feeling unhappy all the time	0	1	2	3	4	5	6	7	8	9	10	Feeling happy all the time
------------------------------	---	---	---	---	---	---	---	---	---	---	----	----------------------------

Q4. What do you think about your happiness level in the future. Please score your expected level of happiness in 5 years. Score 0 if you think your happiness level will remain unchanged. If you think your happiness level will increase in relation to now, please choose the score between +1 and +5 depending on its degree (bigger number means higher level of happiness). If you think your happiness level will decrease, please choose the score between -1 and -5 (smaller number means lower level of happiness). Please circle one number (single answer, circle just one).

Less happy than now	-5	-4	-3	-2	-1	0	1	2	3	4	5	Happier than now
---------------------	----	----	----	----	----	---	---	---	---	---	---	------------------

【A Panel Survey】 Quality of Life Survey Fiscal Year 2011 Questionnaires
