I am free to decide for myself how to live my life(0-10)

When things go wrong in my life it generally takes me a long time to get

back to normal(0-10)

I generally feel that what I do in my life is worthwhile(0-10)

Most days I get a sense of accomplishment from what I do(0-10)

You had a lot of energy during the past week(0-10)

You felt calm during the past week.(0-10)

You felt lonely during the past week (0-10)).

Factor analysis/correlation	Number of obs =	10469
