- Note: 1. Figures in the table show the starting year of time series. For quarterly series, they indicate that the corresponding data start with the first quarter of the year, calendar or fiscal, as the case may be.
2. This book includes the recent figures on an annual basis up to 2013. The attached CD-ROM contains all the published time-series data on an annual and quarterly basis.
3. Figures with "\*" on "Real" columns show that the corresponding deflators are available from the same year.
